

# THE DUALMASTER 3000iR. ULTIMATE SPIN & RELIEF GRIND ACTION.

Auto indexing relief grind

Multi-alignment points

Supplied with tools,  
brackets & parts

Integrates the dual functions of spin and relief grinding where regular relief grinding is important to return cutting units to manufacturer's specification.

Building on the technical foundations of the renowned Express Dual and Anglemaster system, the Dualmaster 3000iR incorporates auto-indexing relief to deliver the fastest, easiest and most accurate spin and relief grinding.

With the ability to change from spin to relief or relief to spin in under 60 seconds the Dualmaster 3000iR can save time in the workshop leaving you free for other duties.
