

THE EXPRESS DUAL 3000MC. COMPETITIVE PERFORMANCE.

Simple control panel

Front roller 'V' brackets with new positioning scales

Lift table for easy loading

With easy to use electrical and mechanical control systems, the Express Dual 3000MC is competitively priced to meet any budget.

It comes with an electric clamping system making mower mounting and reel grinding super easy and super fast – greens mowers can be ground in as little as 5 minutes. The simple feed system with digital display ensures accurate reel blade grinding every time.
